Instructions

Purpose of form. Use this form to transmit paper Forms 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, to the Internal Revenue Service. Use a separate Form 1042-T to transmit each type of Form 1042-S (see the instructions for line 1a).

If you file 250 or more Forms 1042-S, you are required to submit them electronically or using magnetic media. You can also use these methods to submit less than 250 Forms 1042-S. If you submit Forms 1042-S using either of these methods, do not use Form 1042-T. If you file electronically or using magnetic media, use Form 4804, Transmittal of Information Returns Reported Magnetically.

Use of this form to transmit paper Forms 1042-S does not affect your obligation to file Form 1042, Annual Withholding Tax Return for U.S. Source Income of Foreign Persons.

If you have not yet filed a Form 1042 for 2004, you may send in more than one Form 1042-T to submit paper Forms 1042-S prior to filing your Form 1042. You may submit corrected and voided Forms 1042-S even though changes reflect differences in gross income and tax withheld information of Forms 1042-S previously submitted with a Form 1042-T.

If you have already filed a Form 1042 for 2004 and an attached Form 1042-S caused the gross income or tax withheld information previously reported on line 62a or 62b of your Form 1042 to change, you must file an amended Form 1042.

Where and when to file. File Form 1042-T (and Copy A of the paper Forms 1042-S being transmitted) with the Internal

Revenue Service Center, Philadelphia, PA 19255-0607, by March 15, 2005. Send the forms in a flat mailing (not folded).

Identifying information at top of form. The name, address, and EIN of the withholding agent or intermediary on this form must be the same as those you enter on Forms 1042 and 1042-S. See Form 1042 for definitions of withholding agent and intermediary.

Line 1a. You must file a separate Form 1042-T for each type of paper Form 1042-S you are transmitting. Check only one of the first three boxes. If you are filing pro-rata Forms 1042-S, also check the pro-rata box. As a result, there are six possible types of Form 1042-S that may be transmitted:

- | | |
|-------------|----------------------|
| • Original | • Original pro-rata |
| • Voided | • Voided pro-rata |
| • Corrected | • Corrected pro-rata |

Each type would be transmitted with a separate Form 1042-T. For example, you would transmit only original Forms 1042-S with one Form 1042-T, only corrected Forms 1042-S with another Form 1042-T, etc.

Line 2a. Enter the total of the gross income amounts shown on the Forms 1042-S (box 2) being transmitted with this Form 1042-T.

Line 2b. Enter the total of the U.S. federal tax withheld amounts shown on the Forms 1042-S (box 7) being transmitted with this Form 1042-T.

Final return. If you will not be required to file Forms 1042-S in the future (on paper, electronically, or on magnetic media), enter an "X" in the "FINAL return" box.
